

# A LETTER FROM YOUR CHILD'S SCHOOL

Dear Parent/Guardian:

DCPS has a vision that every student feels loved, challenged, and prepared to positively influence society and thrive in life.

**Your voice is important in making sure that this vision is becoming a reality for every one of our students.**

The family survey is critical in providing feedback to DCPS Central Office and your child's school leadership.

Scan the QR code or go to [bit.ly/dcpsfamily](https://bit.ly/dcpsfamily)

It takes 10-15 minutes to complete

**Available  
March 1 - April 1**

**All responses are  
anonymous and  
confidential!**

**Your feedback lets us  
know how we can  
continue to improve**

## Why is this survey important?

Your feedback lets us know what we are doing well and how we can improve. The survey responses help us make changes in our schools to better serve all students. We use your feedback to provide support, activities, and programming you value.

## How can I complete the survey?

You can complete the survey online between March 1st and April 1st, 2022. The survey website works on computers, tablets, and smartphones. Just go to [bit.ly/dcpsfamily](https://bit.ly/dcpsfamily) and get started.

## I have multiple children at the same school and/or in different schools. What do I do?

If you have more than one child in the same school, please submit only one survey for the oldest child you have in that school. If you have children in multiple schools, please submit one survey for each school.

## Who can see my responses to the survey?

Your responses to this survey are both anonymous and confidential. DCPS has partnered with Panorama Education to hold and manage survey responses. No one at DCPS will be able to view individual responses.

## Where can I find more information about the survey?

You can view DCPS' results from last year at [bit.ly/dcpsfamily](https://bit.ly/dcpsfamily) and get more information at [dcps.dc.gov/surveys](https://dcps.dc.gov/surveys).

**Thank you for your participation in the DCPS Panorama Family Survey!**
