For more information visit <https://coronavirus.dc.gov/covidcenters>.

Children, ages 5 to 17, as well as adults can receive vaccinations and boosters at any COVID Center.

Asymptomatic Testing

DCPS is now testing 10% of student population for asymptomatic COVID-19 testing. We tested students on Wednesday, June 8. We tested 46 students, and all were negative.

Watch this video to learn more about how student testing happens at school with ST3 ([English](#) and [Spanish](#)).

Please [click here](#) to access the Testing Patient Portal where you can see test results for your student (if/when they are tested).

If you are having trouble accessing your students' test results, please contact the ST3 Support Line at 833-762-0762 or please email them at DCPSCOVIDTesting@dc.gov.
